

Texas Ophthalmological Association 2019 Codequest™ Seminar Self-Assessment CME

- San Marcos, TX – January 26, 2019 (4 hours)
- Lubbock, TX – March 29, 2019 (4 hours)
- Dallas, TX – March 30, 2019 (6 hours)
- Houston, TX – April 6, 2019 (6 hours)

These TOA 2019 Codequest™ seminars have been approved for self-assessment CME by the American Board of Ophthalmology. This credit will be helpful to those pursuing maintenance of certification. Your CME certificate from Codequest (from the AAO at <https://www.aao.org/practice-management/coding/codequest/cme>) serves as your proof of attendance should you need it.

Self-assessment CME is in addition to (and distinct from) the Category 1 CME issued by the AAO.

To receive the SACME credit, physicians will need to complete a quick multiple-choice quiz after the seminar. The link for the quiz will be emailed to you or use the QR code below or go to this link now: <https://www.surveymonkey.com/r/NZ87CPD>.

To claim the SACME credit (regardless of how you score on the quiz), you must log on to your own ABO status page and attest to meeting their CME/SACME requirement.

MOC Approval Statement

*Through the American Board of Medical Specialties (“ABMS”) ongoing commitment to increase access to practice relevant Maintenance of Certification (“MOC”) Activities through the [ABMS Continuing Certification Directory](#), **Codequest 2019** has met the requirements as an **MOC Part II Self-Assessment Activity** for the following ABMS Member Boards:*

MOC Part II Self-Assessment Activity
